FROM THE EDITOR

BY REMY GUENIN, '86

Dear Alumni of Kingsway College,

Fall on campus is, in my opinion, the most beautiful time of the year. As I contemplate this past year and think about the journey that Kingsway College is on, I realize

what an amazing blessing it is to have this school still vibrant and operating in the year 2013. The world is a much different place today than it was in 1903 when the school was established. Yet through thick and thin the school continues to educate not only academically but spiritually the youth of today. It is a blessing to have dedicated staff and faculty who still have the hope of pointing students to the One who gave His all for a fallen race. Also, I am very happy to report that for the first time in many years the Administration has been able to turn in to the board a balanced budget for the 2013/2014 school year. We give glory to God for his continued blessings on this school.

As you peruse through the pages of this edition of the KC contact, I hope you will enjoy a walk down memory lane. Experience renewed hope that Kingsway is committed to fulfilling its mission "to reflect Jesus Christ and prepare students for His service".

I would also like to introduce to you the co-editor of the KC Contact, Christina Lister. Christina joined the

KC team this past summer as the new Development Coordinator. She is responsible for planning events such as the

Fun(d) Dinner, Alumni Golf Tournament, and Alumni Chapter Meetings. She will also be managing our Alumni database and receipting along with her many extra-curricular assignments such as Grade 12, Campus Ministries, and Aerials sponsor. She is a member of the Alumni Association which is the team that plans Alumni Weekend each year. Christina graduated from Durham College in 2011 with a degree in accounting and has been involved extensively within the College Park Church Program holding positions such as music coordinator and program coordinator for the young adult group called the Refuge. Please help me to welcome Christina to her new role.

I hope you enjoy this edition of the KC Contact and I urge you to remember this special school in your prayers as well as in your charitable giving plans. Kingsway faces many challenges each school year, one of them being an increasing number of students who need financial assistance in order to attend school here. It is with the effort of many and the blessings of God that we will continue to operate a school that is financially viable as well as a beacon of light in the community it serves. n

1964 - 50 year class

1954 - 60 year class

1944 - 70 year class

Changes for the 2013-2014 School Year

BY SCOTT BOWES, *President*

THE 2013-14 school year is off to a great start! Our enrolment is 187

students, making it four consecutive years of having more than 180 students on our campus. While the majority of our students come

from Canada, we also have students from the USA, Bermuda, China, Korea, Kuwait, and Ukraine.

We have 97 boys and 90 girls. 106 of our students live in the dormitory, while 81 are from the community. The following is a breakdown by grades:

- Grade 9 – 31 students
- Grade 10 – 53 students
- Grade 11 – 49 students
- Grade 12 – 54 students

As alumni of Kingsway College, there are a number of ways that you can support our efforts to grow our enrolment.

1. If you know of any high school aged students in your area who are not attending an Adventist school and would benefit from an Adventist education at Kingsway College, please email or call Remy Guenin at gueninr@kingswaycollege.on.ca or 905-433-1144 x212.

2. Support Kingsway's "Worthy Student Fund". This fund makes Adventist education at Kingsway College possible for many students who would be unable to afford it.

3. Support Kingsway students with random acts of kindness and encouragement. Many of them are away from home for the first time and could use as much support as possible. Pray for them, join our "Friends in Touch" program (contact Fabiane Campos

at camposf@kingswaycollege.on.ca), or make an anonymous donation to their account.

4. Share any great ideas that you have for growing Kingsway College with me at bowess@kingswaycollege.on.ca.

It would be impossible to do everything we do without the support of our alumni. Thank you so much for your prayers and everything you do to support Kingsway College!!! n

Varsity Sports

This year our varsity teams expanded to include guys volleyball along with our standard girls volleyball team. We also have both guys and girls basketball teams who will be going to the Andrews University Cardinal Classic in February of 2014! Stay tuned for the varsity team game schedules.

North York Branson Hospital School of Nursing 50th Reunion

BY BEV MATIKO, '69

THE 50TH anniversary reunion of the North York Branson School of Nursing was held May 10-12, 2013 at Kingsway College in conjunction with Kingsway's Alumni Weekend. Since it was the 50th year after the graduation of the first class from Branson the event was to include everyone connected with the school for the entire time it operated. After 2 years of promoting the Branson portion of the occasion, mainly by Marilyn Jerome and her assistants, expectations were far exceeded!

Branson produced 269 graduate nurses in 14 classes during the years '63-'74. Over 120 graduates attended the weekend, with representation from each of the classes. This was the very first reunion for the 2 year class of '74, and 10 of their class were present. Three faculty members also attended.

The ceremonies began Friday with a concert by Kings' Heralds which brought back many memories of their music over the years.

Branson students had the privilege of presenting Sabbath School where several graduates paid tribute to the School of Nursing and Kingsway for the top quality education they received. The life skills they obtained at these two schools of distinction enabled them to obtain high achievements in their careers of service. A chorus of grads sang "Let There Be Peace on Earth".

During the church service, Twyla Reimche Gimbel held roll call for Branson graduates. Each class was given recognition.

After a delicious general potluck in the old gym, Branson Graduates met on the site of the old Administration Building beside the gazebo for a presentation of a lamp stand, a plaque reading "To Those Who Have Gone Before", and a composite photograph

of the 16 graduates that have already passed to their rest. The lamp signified the Florence Nightingale light that each grad had carried on the day they were capped and gave their pledge for service to others. Marilyn Pearse Jerome presided over the presentation and Scott Bowes, on behalf of Kingsway College, received it. Mr. Bowes thanked the graduates for this thoughtful gesture and shared his appreciation. The group sang "Shall We Gather At The River" at the request of one of the graduates who was unable to attend.

The afternoon was spent reminiscing about old times and meeting not only classmates but grads from other classes that we had not seen for years.

Sabbath evening brought a very pleasant surprise, three long beautifully decorated tables set specifically for Branson Alumni and their families. There were photos, not only of our individual classes, but also incidental pictures from bygone days. We were presented with pens in the shape of hypodermic needles with red fluid in the barrels to resemble blood – what a novel idea! Along the back wall were our original composite photos of each

graduation class as well as samples of student and graduating uniforms, blazers, capes and caps. Another exciting event in the program occurred when two Branson Alumni - Marilyn Pearse Jerome '72 and Eleanor Von Gunten '72 - were honoured as Alumni of the Year. Heartfelt appreciation was expressed for the many, many hours they each put in to make this such a memorable event. A spontaneous standing ovation revealed everyone's feelings. Thanks again!

On Sunday 250 people met for brunch. There was time to get further reacquainted, take class pictures and catch up on the last 50 years. Several other people joined us that were friends of Branson personnel during the "operating" years. Earla Woods Sanz and the Crawford sisters, Roberta and Rae, took us back to how Branson Hospital was born and Brian Fenton gave us a peek into the future regarding the long term plans for the property.

Everyone had a fantastic weekend and felt the trip to Kingsway College and down memory lane was so worth the trip! n

Eleanor Von Gunten

Eleanor Von Gunten was born on May 23, 1948 to Jules and Doris Von Gunten in Oshawa, Ontario. She attended College Park Elementary School and Kingsway College. In 1969, Eleanor enrolled at the Branson Hospital School of Nursing with great aspiration to do something for the cause of humanity. She graduated with her nursing class in 1973 and was immediately employed at the North York Branson Hospital. Eleanor is devoted to her Alma Mater where she has served as Alumni Association President, Secretary, and Class Activist. She volunteered to update the Kingsway database and find addresses for hundreds of former Kingsway students, and assisted in any area where help was needed. She has a great love for Kingsway which she demonstrates enthusiastically with her support and truly lives our motto "Service Not Fame".

Marilyn (Pearse) Jerome

In September of 1969 Marilyn Pearse arrived on the Kingsway Campus to take her first year in Nursing. Shortly after arriving, Marilyn met David Jerome in the choir loft of College Park Church during choir practice and they began dating.

She spent the next two years at Branson Hospital School of Nursing, graduating in 1972. She completed and passed the Nursing Registration exams in August of that year. On August 20, 1972 Marilyn and David were married.

In September of 1972, she began her first nursing position at the Bowmanville Memorial Hospital in Paediatrics. In 1973, she transferred to Branson Hospital.

During her time at Branson she worked in many areas and in several different positions. Marilyn retired in 2005 until 2007 when she returned to work as a casual nurse at Extencicare Oshawa.

Marilyn and Dave have 3 daughters: Heather, Lynette and Elizabeth. In 1990, the family moved to Oshawa so that the girls could attend Kingsway College and College Park Elementary School. Marilyn and Dave both strongly believe in Adventist Christian education. Heather, Lynette and Elizabeth all graduated from Kingsway. Marilyn is the devoted grandmother of 9 grandchildren, 5 girls and 4 boys. Four of her grandchildren are attending Adventist schools, three at College Park Elementary School and one at Kingsway.

This past Alumni Weekend was the culmination of 2 years of Marilyn working many hours (including the wee hours of the morning on many occasions) to make sure that this reunion was a success for her fellow Branson Grads.

A Message from Graduation 2013

BY ALICIA DOOKS, '13

I NEVER would have expected a school like Kingsway to have such positive effect on my life. Being able to spend all four years of high school there was nothing short of a blessing. I graduated not only with the grades I wanted, but also the friends I needed.

Kingsway allowed me to find the importance of studying by giving me teachers that pushed me to do my best; proving to myself what great things I can achieve. Even if I was to put all academics aside, Kingsway wouldn't be any less wonderful to me. All the great friendships I had created in my four years at Kingsway have shown me what the important things are in life. Being given the opportunity to grow up in my last teenage years and create those bonds with my friends brought out the great social aspect present at Kingsway. In being a student there I knew that I could go anywhere on campus and be met with a smile. Seeing such pleasant faces everyday really gave me a sense of belonging and being a member of one big family.

The involvement opportunities at Kingsway really helped me to learn to be a well-rounded individual, not only having to work on my studies but also being able to play volley-ball and class sports nights. The SA weekend events such as Golden Unicorn and Supper Clubs allowed me to put my school work aside and to relax and just have a good time with all the people at Kingsway. Power weekends and Weeks of Prayer also allowed me to take time

from my days and focus on God instead of just work.

The most prominent memories from my experience at Kingsway would definitely be all the exciting trips I was able to go on. Educational trips to the Ontario Science Centre, Shakespearian Plays, and the courthouse really brought some fun to learning new things about the subjects at hand. The trips I will remember the most, though, will be all the March Break tours and mission trips. Kingsway gave me the opportunity to see new places while being able to spread the good news of Jesus by serving others.

Before I knew it, my time at Kingsway came to an end. Graduation was just around the corner and last time I had checked it was four years away. Time really does go faster when you're having fun. My class and I had gone through all the stresses of the multiple exam weeks and the joys of class events and trips. We had grown up from the small freshmen to the seniors of 2013. We had been there for each other and God had led us all through the ups and downs of being in high school. Marching down that aisle in the College Park Church and receiving my diploma was a perfect ending to such an important part of my life. Watching my classmates receive their diploma gave a sense of sadness for the fact that we would all soon be parting ways, but it also allowed me to remember all the wonderful times we had spent together, whether in the classroom or on a bus. Kingsway College gave me the best four years of my life so far. I can say nothing more than thank-you for all you put into your students' lives; giving them excellence to work for and new experiences to discover. n

Brazil Comes to Kingsway College

BY REMY GUENIN, '86

ON AUGUST 5TH, 2013 a large group of Brazilians arrived at Pearson International Airport in Toronto, Ontario for a 2 week ESL (English as a Second Language) Program at Kingsway College. It was a brand new adventure, one that was sure to make a lasting impression. To my knowledge there has never been a summer ESL Program such as this at Kingsway College.

60 students from Brazil ages 13 to 18 were greeted by a small welcoming party at the airport. The group came in on two different airlines at two different times on the morning of August 5.

Day One: The week began with a hearty breakfast in our cafeteria. Soon after breakfast, the students were shown to their rooms and were greeted by Minnie Edison (Ladies Head Dean) and Tyler Dooks (Men's Assistant Dean). After lunch, the students were asked to take a test for placement in their respective ESL classes which were led out by 3 of our teachers, Scott MacDonald, Sophia Parkes and Connie Solomon.

Day Two: On the morning of August 6, the group was loaded into buses and taken to Canada's Wonderland where they spent twelve hours being spun around, dropped and splashed to their hearts' content. Exhausted, everyone returned to the campus and fell into bed.

Day Three: The plan was to take the group to Thousand Islands for a boat tour and then to Fort Henry for some sightseeing, however, plans changed. On the first day any had requested changes to the schedule because the group really wanted to go SHOPPING! After a quick phone call to cancel the boat tour, the group headed for Halton Hills

Premier Outlets. This new shopping experience had only been open for 7 days but the students had already done their research and they knew the name and location, which they had found through Google. Needless to say, the rest of the day was spent shopping.

Days Four and Five: The real work began with ESL classes.

Day Six: The students attended church service at College Park Church, followed by an afternoon trip to the Toronto Zoo. The Panda exhibit was fascinating and the students enjoyed nearly perfect weather on this day.

Day Seven: Once again, the students loaded onto the buses and headed for a Blue Jays game which was followed by a trip up the CN Tower. Baseball was new to most of the

students but they were very impressed by the stadium and the retractable roof. They did not quite understand what was happening on the field even after several attempts were made to explain the game.

Day Eight and Nine: The students back in the classroom for the day followed by various shopping trips in the evening to the local Walmart and Oshawa Centre as well as the Toronto Eaton's Centre. As a side note, it was interesting that the manager at the local Walmart spoke to one of our faculty members and mentioned that the store had seen its best sales figures to date at that location since they had opened!

Day Ten: Niagara Falls was on the agenda for this day. "Maid of the Mist", Journey Behind the Falls and several other attractions kept the kids entertained for the day. That evening, they checked into the Great Wolf Lodge and spent the night.

Day Eleven: This day was spent enjoying the Great Wolf Lodge Waterpark.

Day Twelve: The morning was spent in the classroom and by afternoon the students were off again enjoying the local shopping venues. That evening a ceremony was held to celebrate each student's completion of the ESL course. It was a fun, loud and boisterous time enjoyed by all in attendance. The end of the night was capped by the celebration of a birthday and snacks prepared by the cafeteria staff.

Day Thirteen: We had Chapel Church in the school chapel which was followed by lunch in the cafeteria. In the afternoon the group headed to Lakeview Park for pictures and a stroll by Lake Ontario. After sundown worship, the group played "Capture the Flag" which brought a lot of laughter and fun that night. By the end of the game everyone was hot and exhausted. Minnie Edison and Fabiane Campos then hosted an ice cream feed for the students.

Day Fourteen: This was packing day for one of the groups, as about 45 of them were leaving that evening. Once the students were finished packing they loaded the buses and headed for the ROM (Royal Ontario Museum). After a few hours, the group was on the move again and yes, you've guessed it, they ended up at Yorkdale Mall for another shopping experience.. Two buses had to go to the airport in order to accomodate all the luggage, even though the whole group wasn't leaving at that time.

Day Fifteen: The second group of students left early in the morning at 5:30am.

The results of our surveys displayed an overall positive experience for all. They were very impressed with Kingsway College and Canada in general. Their favourite staff member was Minnie Edison. She made sure to let them know when they first got to campus that if they misbehaved she would get after them in Minnie fashion. Kingsway College is looking forward to more Summer ESL Programs in the future. This was a wonderful opportunity to create exposure for Kingsway College in Brazil. We are excited to see students from Brazil coming to Kingsway and having a great experience learning English, making friends and getting to know more about Jesus Christ. For more pictures of our summer ESL Program go to our website at www.kingswaycollege.on.ca

Go Into All Nations

JESUS TELLS his disciples just before His ascension, “go into all nations”...well this year at Kingsway, we have been blessed to have the nations come to us...

We are so pleased that our international student population continues to grow. The majority of these students speak little English and communication between other students and faculty can be trying...but in spite of these cultural and language barriers, our international students have become a great asset to our Kingsway family.

The greatest priority is of course living, eating and studying with all of these young people in a manner that gives us an opportunity to share the good news of the life of a good and loving Savior. Love is hard work. But it is such a worthy and soul-filling endeavor. We serve a good God, who runs down dusty roads to love all of His children...and the opportunity given us to speak with our new international community friends is a blessing we just can't pass up...the excitement is palpable on both sides.

We of course also want to provide academic excellence to our students, particularly in the field of English. It is not only an occasion for classroom learning, but full immersion into the North American culture. Our schedule is already full of academia, extracurricular activities, and sports programs, but in addition, we have many trips designed to show our guests the history and wonder of Canada in all

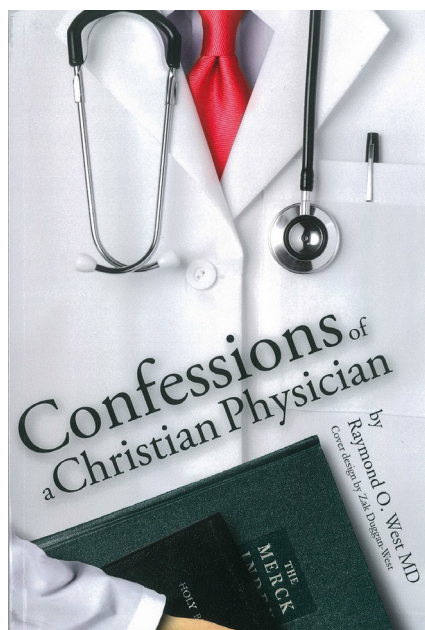

of its varied forms...the favourite of which is already--food! Every month we coordinate special evenings out with our international students to sample different restaurants in our area. Different staff members take time eating and spending valuable social time learning and exchanging words, traditions, and laughs over these special evenings and it has become an invaluable way to create unity between people's from such different backgrounds.

I remember working to find an efficient way of integrating our new international students we were blessed with in the beginning of second semester last year. It was obviously very difficult at first to relay my intentions and to understand their needs... and there were many times I wondered if I was making any progress...but this year they all returned, and they have naturally and seamlessly become leaders in the dorm, helping communicate and describe dorm life to the new international students. I am grateful to them and also amazed at the speed in which they have, in many ways, accepted and even promoted the lifestyle we are inspired to follow...one of justice, righteousness and kindness...we all fail at these concepts that God delights in...but what a great goal!

As this year continues I would like to ask you to pray for us...pray for all of our family here at Kingsway, but I ask for special prayers directed to the hearts of our new international friends. May God bless us as we live and work, play and pray together.

Blessings, Greg Gryte

Book Review for “Confessions of a Christian Physician”

“The author of the book is Raymond O. West, MD MPH. He attended Oshawa Missionary College from 1937 to 1942 during which he met his wife to be, Julia Huckabone. After graduating in 1941, he decided to stay at OMC and earn a year of college credits. He then joined the Royal Canadian Navy where he served for 3 years and by God's grace was able to keep the Sabbath every week during his tour of duty. While stationed in Newfoundland, Julia joined Raymond and they were married in the summer of 1944. After the war was over, they moved to Canadian University College for a year, attended La Sierra University for a year and finally arrived at Loma Linda University, where he graduated with his MD. Dr. West and his wife Julia moved to Oshawa where he practiced medicine until he was called to go to Rest Haven Hospital in Sydney, Australia as a Medical Director. He attended Harvard School of Public Health and gained two degrees, an MPH and an MSc. He then went on to practice medicine in Takoma Park, Washington for several years. He returned to Loma Linda University as a professor instead of a student and taught Epidemiology for many years. He and his wife retired to the Seattle, Washington area in 1990 but he still works one day a week. Dr. West and Julia have 4 children, 5 grandchildren and 4 great grandchildren.”

This book is certainly worth the read. Dr. West is such a good storyteller that while reading the book, you are right there in the room with him during the many interesting situations he describes. This book is available through xulonpress.com/bookstore, amazon.com and barnesandnoble.com.

*James Stanley
Sharpe*
1949 - 2013

James Stanley Sharpe was born Aug. 24, 1949 in London, Ontario and passed away Feb. 9, 2013 in Oshawa, ON. He attended Kingsway College from 1966-1968. He met his wife Bonnie (Buchanan) during his time at KC and they married in 1970. He followed the Lord's calling and began attending Canadian University College in 1972 and completed 4 years of theology. During his seventeen years, of ministry he pastored in NL, NS, and NB. Jim had a deep desire to share his faith through music and will be fondly remembered for his songwriting abilities. During his life time he composed over 2,000 songs. He always said "the Lord and I wrote them together." Jim, along with his wife Bonnie, travelled to many churches in Alberta, British Columbia and the Maritime Provinces, presenting the love of Jesus through their music ministry. Jim is survived by his wife Bonnie and daughters Andrea and Erica.

*Jennifer
(Roschman)
Coombs*
1964 - 2013

Jennifer (Roschman) Coombs was born September 4, 1964 to Elizabeth Rossen and Paul Roschman. After attending Kingsway College and graduating with Honours, she went on to attend McMaster University. On October 7, 1984 Jennifer wed the love of her life, Richard Coombs. Together they were blessed with two children, Rachael and Michael. She focused on her family and provided home daycare for ten years before moving back to Oshawa, Ontario. Jennifer excelled in her business career as a sales manager and purchasing agent in the furniture industry. She continued her education at Trent University where she studied Business and Sociology, at the same time beginning a career in Aeronautics. Jennifer passed away November 20, 2013 at the Port Perry Hospital, surrounded by family.

Leon A. King
1943 - 2013

Leon A. King passed away September 24, 2013 at St. Vincent Hospital, Worcester, following an illness. Leon was predeceased by his wife of 41 years, June Gloree (Preece) King, who passed away in 2004. He is survived by three sons: Leon A. King, II, Esq., Major Kym-Cameron King, and Khrystian E. King. Leon was born in Bermuda, son of the late Archibald Cranfield and Miriam (Wilson) King.

He was a graduate of Kingsway College in Oshawa, Ontario, Canada and Atlantic Union College, South Lancaster, Pennsylvania where he earned a BA in Business Administration. Leon owned and operated Kingsway Property Management and Kingsway Trucking Service, Inc. He was a member of the College Church of Seventh-day Adventists, South Lancaster, PA where he served as a deacon and Chair of the Atlantic Union College Finance Committee.

Through the years, he particularly enjoyed teaching and participating in Sabbath School. An avid golfer, Leon was a member of the Green Hills Golf Course, Worcester, MA and of the "The Whole in One Golf Fellowship". He enjoyed skylarking with friends and family; spending time with his family in Newport Beach, RI; family Thanksgiving holidays in Philadelphia, PA and also found great pleasure in simply giving of himself and his time to lend a helping hand to others.

Check out the Kingsway College spotlight in the Canadian Messenger every month!

Messenger

65th Wedding Anniversary

Thomas Glynn Davies & Eileen Davies (nee: Dauncey) celebrated their 65th wedding anniversary on July 22, 2013.

They were married in Peterborough, Ontario where they were both raised. After their marriage they headed west to Alberta in order for Glynn to finish his ministerial degree. After graduation, Glynn served as a clergy for the Seventh-day Adventist Church. They served numerous churches in Ontario, Quebec, Newfoundland and Alberta. Eileen was busy raising four children: Alan (b. 1951), David (b. 1953), Beth (b. 1954), Trevor (b.1963).

After Glynn retired in 1988, they moved back to Ontario from Alberta. They built their retirement home on Bay Lake east of Novar. They continue to enjoy good health and love living amongst the large trees and wildlife at the lake. They enjoy travelling and love visiting their 4 children, 9 grandchildren and 2 great grandchildren, who are spread across North America.

Congratulations from numerous relatives, friends and neighbours.

Austin Domenick Jacinto

Parents: Domenick & Rose Jacinto
 Birthday: September 13, 2012
 Weight: 6 lbs 14 oz
 Length: 20 in.

Jaxon Eric Jeffrey Wilkins

Parents: Jason & Jenny Wilkins
 Birthday: February 14, 2013
 Weight: 8 lbs 8 oz

Congratulations!

Daniel Anez, Class of 2000, received an Honorable Mention award for magazine cover design for the June 20, 2013 Review cover – he received the award from the Society of Adventist Communicators.

Also to Pamela Lister, Class of 1981, for receiving an Honorable Mention award for devotional contribution of "Who's Holding Your Ladder?" in the November Canadian Adventist Messenger from the Society of Adventist Communicators.

Kingsway College Alumni Events 2013-2014

This year we are looking forward to exciting events for Alumni!

There will be plenty of ways to connect with our Alumni, in Canada and abroad. Come and meet old friends and teachers! Awaken the Kingsway spirit within.

Please save the following dates:

October 7 - KC at CUC
 February 22 - Alumni Chapter Meeting - California
 March 8 - Alumni Chapter Meeting - Florida
May 23-25 - Alumni Homecoming Weekend
May 24 - Alumni Basketball/Floor Hockey Tournament
May 25 - Alumni Golf Tournament

Follow us on Facebook or check our website for more details.

For more information contact
